Summer Reading for Students Entering 6th, 7th and 8th Grade

Dear Middle School Parents and Students,

One of our goals is to create a lifelong love of reading. Reading throughout the summer gives students an opportunity to practice literary skills.
For the summer reading assignment, every student is required to read one book and take a quiz. **The quiz will be taken on Monday September 14, 2026.**
The intent of this year's summer reading assignment is to allow students to continue to enrich their reading and comprehension skills over the summer in preparation for the next school year.

1. Choose **ONE** novel from the list below for your grade.
2. Read the book. Use a sticky note or notebook to record notes.
3. **Be ready to take a quiz based on the novel you read. This quiz will be assigned on Monday, September 14th 2026**.
